Point Douglas Regional Trail Master Plan

May 5, 2011; 6:00 p.m. – 7:00 p.m.
Denmark Town Hall

Washington County is preparing a master plan for Point Douglas Regional Trail, a 2 ½ mile stretch of abandoned rail bed along the Mississippi River in Denmark Township in southern Washington County, MN. The plan will include connecting this trail to Point Douglas Park, the planned St. Croix Valley Regional Trail, and the planned Hastings bridge bike trail.

The first Public Open House will be held on Thursday, May 5, 2011, at 6:00 p.m. at the Denmark Town Hall, 14088 – 90th Street South, Denmark Township. This first meeting will allow for information sharing and an opportunity for residents to provide input regarding the regional trail to help guide the master planning process. Project team members will be on-hand to provide information and answer questions.

Those who are unable to attend the public meeting, but still wish to provide input, are encouraged to contact Peter Mott, Park Planning Manager, at (651) 430-4328 or by email at peter.mott@co.washington.mn.us.
